"And in recent news, it seems like the newcomer Saint Sayaka is quickly climbing the ranks, Bob. She currently ranks at number fourteen, a hair's breadth away from Selena Raynee."

"Can she possibly succeed against the ranks of Andrew Hartman or, dare I say it, Intellikat, Steve?"

"Let's not get too ahead of ourselves there, Bob. Let's just see how she ranks at the end of the week."

"A real story of success, Steve. A real story of success. In other news - The 'One Word Story' epidemic. Encouraging creativity? Or just a waste of Lord Joakim's server space? We talk to the experts."
